

I. Review

- A.** Spend a few minutes in the class reviewing the lesson by asking students:
- Why is it important to stay in school?
 - Why do you think people with more education make more money?

II. Focus Activity – Dream Collage

- A.** Ask students to make a dream collage of their life 10 to 20 years from now. Distribute poster paper and art supplies to each student. Have the students draw, use magazine cutouts or use key words to make a collage of how they envision their future.
- B.** Ask students to think about how they envision their lives to be 10 or 20 years from now. Ask them to think about the following questions:
- What kind of job would you have?
 - How much money would you make?
 - Where would you live? What kind of house would you have?
 - What kind of car would you have?
 - Would you travel? If so, where?
 - What is your family like?
 - What would you like to own?
